

Dea Della Luce

By KARIZMA[luce]

Dea Amata M AS

smooth and silky love.

The Dea Amata M AS is a fixed recessed downlight, distinguished by its ability to illuminate large surfaces such as walls with asymmetrical light. An advanced reflector ensures that the emitted light uniformly falls onto the wall, without causing glare or shadows. This enables the Dea Amata AS to play a key role in enhancing the ambience by softly illuminating the wall, like a silky caress.
